

mag-mag 1.

THE SEED OF LIFE:

THE TRINARY MAG MODEL

in the ancient and still living Magyar or Hungarian language

MAG means SEED.

MAG-MAG suggests that everything is SEED.
and indeed.

but what is a SEED?

it is the perfect vessel of life,
the formula of survival,
a universal model,

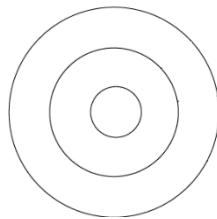

the basis of all analogy and connection.

the SEED carries the basic program of life. it carries the law.

it is everywhere, coded in everything.

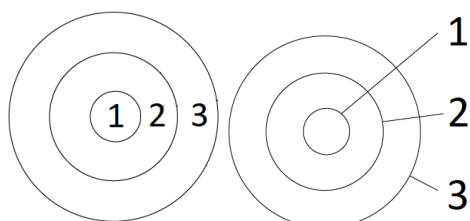

but we have forgotten.

THE MAG or SEED:

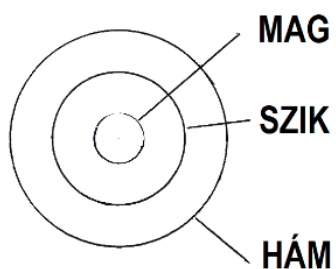

it is a trinary concentric structure

THE STRUCTURE OF THE SEED:

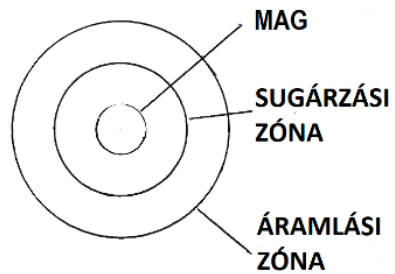

the sequence of creation, manifestation:
ONE, TWO, THREE.

THE PLANT SEED:

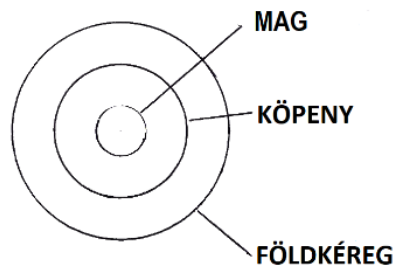

1. CORE, 2. ENDOSPERM, 3. COAT

THE SUN:

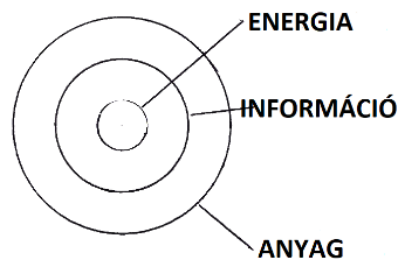

1. CORE, 2. RADIATIVE ZONE, 3. CONVECTIVE ZONE

THE EARTH:

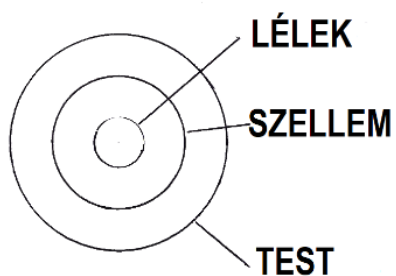

1. CORE, MAGMA, 2. MANTLE, 3. CRUST

EVERYTHING:

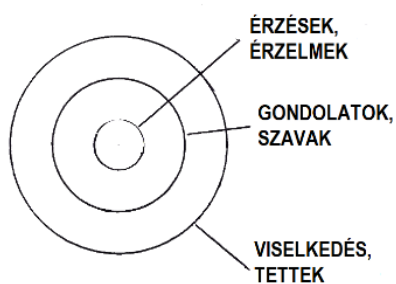

1. ENERGY, 2. INFORMATION, 3. MATTER

HUMANS AND ALL BEINGS:

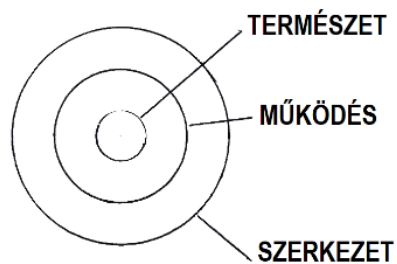

1. SOUL, 2. MIND (CONSCIOUSNESS), 3. BODY

OUR VITAL CAPACITIES:

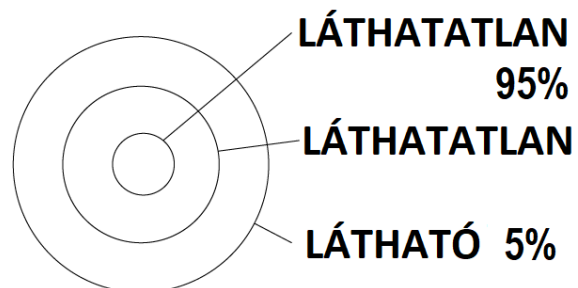

1. FEELINGS, EMOTIONS, SENSES,
2. THOUGHTS AND WORDS,
3. BEHAVIOUR AND DEEDS

ALL PHENOMENA OF THE WORLD:

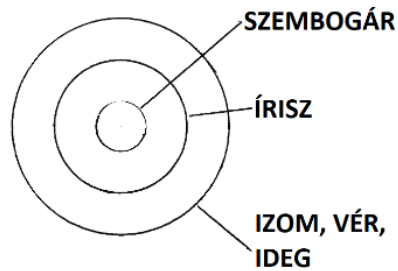

1. NATURE, 2. OPERATION, 3. STRUCTURE

THE WORLD ITSELF:

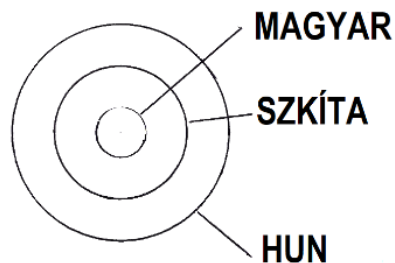

1&2. 95% OF OUR UNIVERSE CONSISTS OF THE INVISIBLE WORLD OF ENERGY AND INFORMATION,
3. ONLY 5% OF THE WHOLE IS THE VISIBLE WORLD OF MATTER

THE HUMAN EYE:

1. PUPIL, 2. IRIS, 3. MUSCLE, BLOOD & NERVE

RACES OF THE EARTH:

1. MAGYAR, NAGAR, AMAZIR, MEDE, MAYAN...

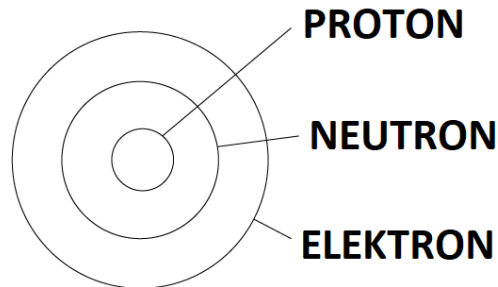

2. SCYTHIAN, SIKUL...

3. HUN ETC. PEOPLE AND CULTURES

the collective of humanity makes up one single seed.

all races originally belong to one or the other seed part of the whole human race. the indigenous races still remember and carry mementos of this Unity in their culture, language name. once upon a time, the free and wise people of the Earth consciously formed a SEED unit. who knows what we were and can be capable of in a united heart, mind and will?

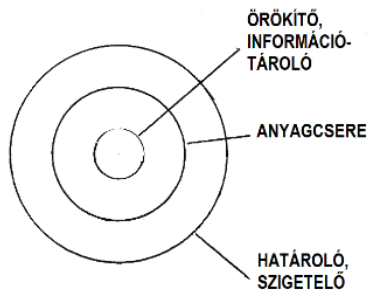

THE ATOM:

1.PROTON, 2.NEUTRON, 3.ELECTRON

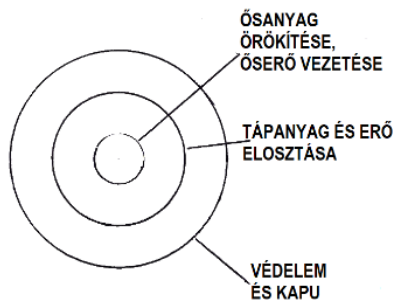

this is the only natural, organic, complete, holistic, holy, universal and singular basic pattern of life.

FUNCTIONS OF THE LIVING CELL'S PARTS:

1. HEREDITY AND INFORMATION-STORING,
2. METABOLIC SUBSYSTEM,
3. BORDERING AND INSULATION

FUNCTION OF THE PLANT SEED'S PARTS:

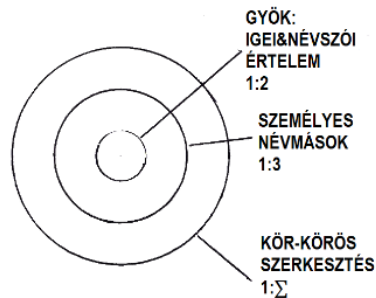

- 1.TRANSMISSION OF ORIGINAL MATTER AND ENERGY,
2. DISTRIBUTION OF NUTRIENT AND ENERGY,
3. PROTECTION AND GATE

originally human languages are also structured upon the SEED model and program.

Magyar means: *of the SEED*

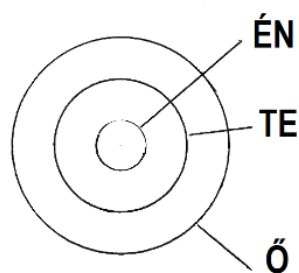

THE MAGYAR LANGUAGE:

this and only this linguistic model preserves the MAG-structure, code and logic

the keepers, the original, indigenous first nations kept the code intact in their language and traditions. see ancient circular constructions, wheat and stone circles, Sumerian Gods' wristwatch, the trinary SEED sign everywhere throughout the world and history.

PERSONAL PRONOUNS OF THE MAGYAR LANGUAGE:

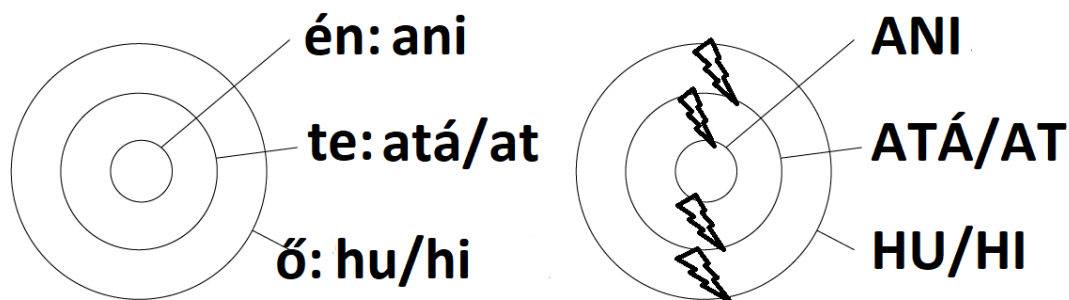

1. I (ÉN),
2. YOU (TE),
3. HE/SHE/IT (Ő)

original Mag, Scythian and Hun languages all have gender-free pronouns!
like Sumerian, pre-ancient Greek, Aborigine, American Indian.
they preserved the holistic MAGic mentality and society,
where i, you and he/she/it held hands and moved in a circle. these languages
and cultures are by now almost completely extinct.

because at a certain point in history, a radical schism happened, and the pattern broke. newer language families were born from a cracked and hacked MAG program: a mental virus program, which devoured its own source.

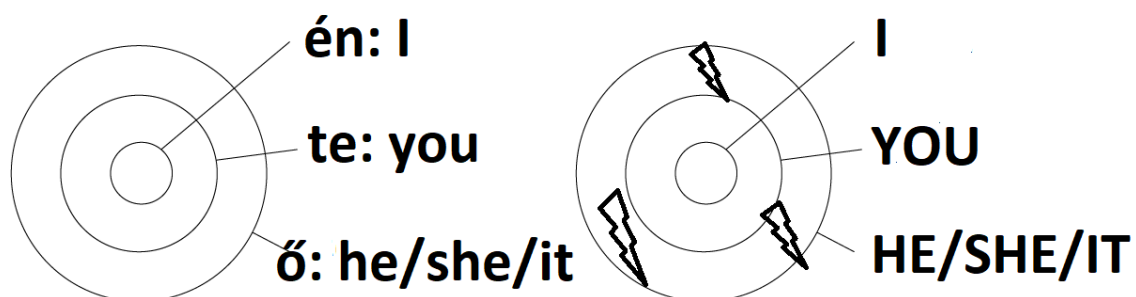

***SEMITIC LANGUAGE PROGRAM
(FROM AROUND 2600 BC, SINCE ABRAHAM):***

- 1. I,
- 2. YOU: BROKEN IN TWO,
- 3. HE/SHE/IT: BROKEN IN TWO
such are Hebrew and Arabic

out of synch with the universe, with the original global and human pattern, it is a universally, vitally illegal program

***INDOEUROPEAN LANGUAGE PROGRAM
(FROM AROUND 1700 BC IN SANSKRIT, C.800 BC IN GREEK
AND C.300 BC IN LATIN):***

- 1. I: EGOCENTRISM (CAPITAL I) BUT WEAKNESS (NO CONSONANT),
- 2. YOU: WEAKNESS (NO CONSONANT),
- 3. HE/SHE/IT BROKEN IN THREE: SUBORDINATION OF SHE (WOMEN AND THE FEMININE), AND THE IT (ALL OF NATURE OBJECTIFIED AND DEGRADED AS LIFELESS)

such are all European languages from Latin to Germanic and Slavic.

here the masculine and the physical is tyrannical, first and foremost. the feminine and the spiritual is repressed, oppressed and suppressed as second-rate. and nature is objectified, abused and devastated as lifeless neuter.

see how the political systems of the world were cracked – and how the cracked code spread in forms of Empires with a specific selfish imperial, parasitic and aggressive colonial program, from the Akkadian, Assyrian, Persian, Greek, Roman, European, Russian, Arab, American and the hidden original Greater Abrahamic Hebrew Imperial program.

these are founded on hacked virus programs implanted in language, mentality, religion, society and politics. the semitic variant is broken into two in two strata, the Indo-European variant is a further mutation, broken into three in one stratum. and the victims have been those nations, Kingdoms and Empires, who fell at the hands of aggressive expansion and unsustainable consumption: the Great Ancient Civilizations.

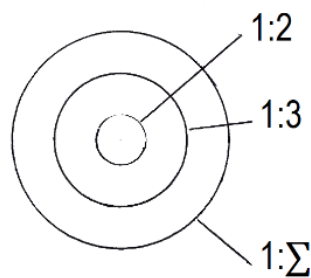

the breaking of the seed creates a mental and behavioural pattern that is not round but linear, not coordinative but subordinative. this miscoding is the root of all global civilizational problems.

social and ecological division and subordination appears in: materialism, rationalism, patriarchy, sexism, racism, colonialism, war and the subjection and exploitation of nature and the earth. oppressed spirituality and intuitive capacity. oppression of the metaphysical world, primacy of the visible and tangible, obtainable, consumable and consuming reality.

the physical, intellectual and financial imperial armies systematically exterminated the keeper cultures and languages. but the people have collective memory! in our memory, our original language and order is alive: ÉN-TE-Ó.

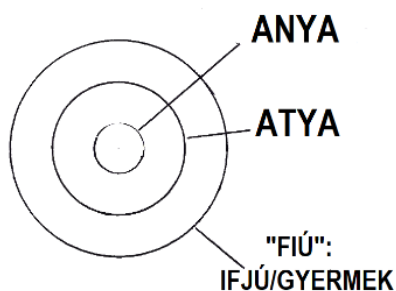

all our key words with mag- refer to the memory of the SEED: magma, magnificent, major, magic, mediation, meditation...

THE MAG CODE (LAW OF THE ONE):

- 1.TWO-IN-ONE,
- 2.THREE-IN-ONE,
- 3.ALL-IN-ONE

THE HOLY TRINITY:

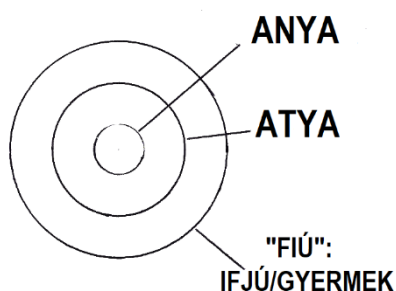

1. MOTHER (ANYA), 2. FATHER (ATYA), 3. CHILD, OFFSPRING (IFJÚ)

note the correspondence between the sounds in én-anya, te-anya and ő-ifjú!
this is evidence of the basic and specific resonance within the seed! sounds
carry vibrations, the éN-Te-ő is a resonance scale: a vibration code

so the original human code which secured our alliance with the universe HAS
BEEN BROKEN! its conscious manipulation is the great scam and scheme of
history: the Great Patriarchal Conspiracy
at the cost and by the way of breaking the code in ALL OF US who speak broken
seeded languages.

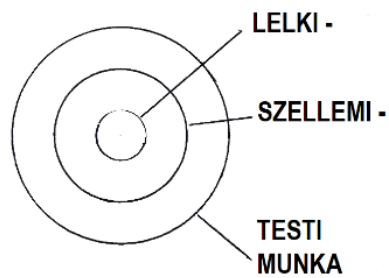

our sense of God has been hacked by the virus program of Father-Son-Holy
Spirit Trinity and the Creator, first and omnipotent single source Father God.
cracking and confusing this code is a basic scam: a sacrilege! the original sin, the
first mistake is the manipulation, turning and dominating the sexual order.

THE NUCLEAR FAMILY:

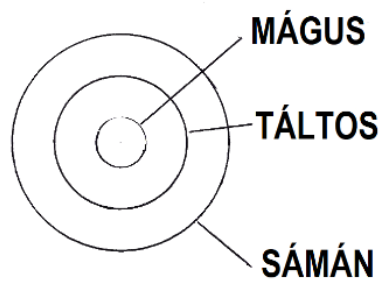

1. MOTHER, 2. FATHER, 3. CHILD

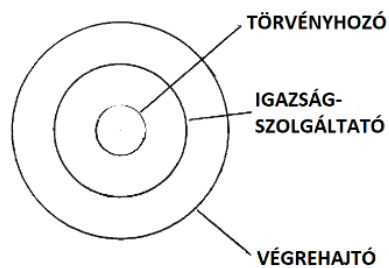

WORK, LEADERSHIP AND LAW:

1. SPIRITUAL WORK,
2. MENTAL, INTELLECTUAL WORK,
3. PHYSICAL WORK

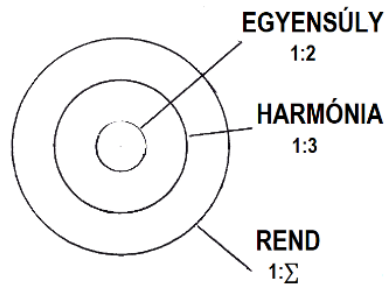

1. MAGISTRATES AND GOVERNERS (MAGES),
2. SAGES AND TEACHERS (WIZARDS),
3. HEALERS AND HELPERS (SHAMANS)

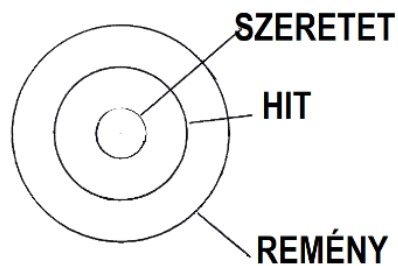

1. LEGISLATIVE POWER,
2. JUDICIAL POWER,
3. EXECUTIVE POWER

PEACE, ETHICS, CULTURE & IDENTITY:

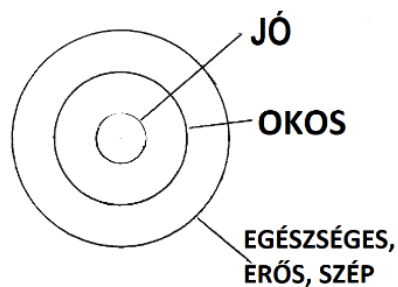

1. BALANCE, 2. HARMONY, 3. ORDER:
peace requires and brings justice, proportion and happiness

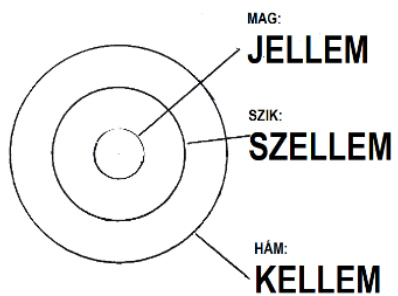

the MAG model creates a round and concentric pattern: a peaceful, cooperative, constructive society and a sustainable civilization - balance, harmony and order.

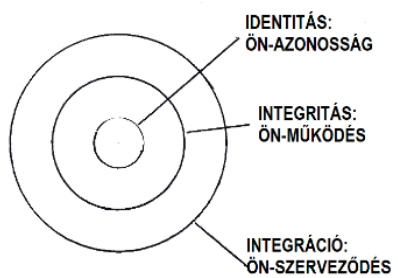

1. LOVE, 2. FAITH, 3. HOPE

1 . GOOD, 2. WISE, CLEVER, 3. HEALTHY, STRONG & BEAUTIFUL

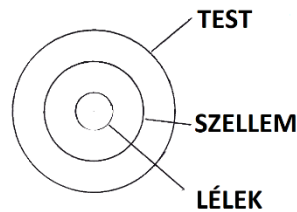

1. CHARACTER, ETHOS,
2. INTELLECT, WIT,
3. PLEASANT APPEARANCE AND GOOD VIBE

1. IDENTITY, 2. INTEGRITY, 3. INTEGRATION

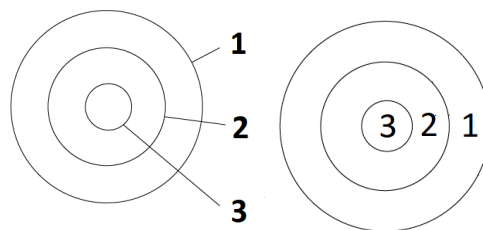

we should return to the mag.
the way back to the source is an initiation
into our original constitution of energy-information-matter:

PASSAGE/INITIATION/RETURN/REBIRTH /SALVATION/ENLIGHTENMENT:

1. FROM THE MATERIAL WORLD OF THE BODY (MATTER)
2. THROUGH CONSCIENCE AND CONSCIOUSNESS (INFORMATION)
3. BACK TO THE SOUL, HEART, LOVE AND COMPASSION (ENERGY)

the aim is the source.
and the source is always: the SEED!

so what is to be done?
to return to our original Eden, we need a coordinated global language reform
which entails political, economical, social, ethical, religious reforms all over the
world, ACCORDING TO THE ORDER WITHIN THE UNIVERSAL MAG MODEL.
